SEN. ERDEY TAKING ON IMPORTANT RESPONSIBILITIES FOR THE 2016-2020 LEGISLATIVE TERM

WILL SERVE ON REVENUE AND FISCAL AFFAIRS, HEALTH AND WELFARE, ENVIRONMENTAL QUALITY AND TRANSPORTATION COMMITTEES

District 13 State Senator Dale Erdey (R-Livingston) is taking on important responsibilities in the Louisiana Senate for the 2016-2020 legislative term. Sen. Erdey, who officially began his third and final term in the Senate this month, will serve as vice-chairman of the powerful Senate Committee on Revenue and Fiscal Affairs.

The Senate Committee on Revenue and Fiscal Affairs considers legislation impacting bonds and debt, taxes and raising revenues, revenue collection, deposit and investment of public monies, and the economy and efficiency of government operations. The Revenue and Fiscal Affairs Committee is also responsible for hearing debate on the state capital outlay budget.

"I look forward to continuing to work with my colleagues in the Senate," said Sen. Erdey. "The state has some daunting challenges ahead, but I believe that through cooperation and perseverance, we will be able to address those challenges with sensible solutions in committee and on the floor."

In addition to his leadership responsibilities as vice-chairman of the revenue and fiscal committee, Sen. Erdey will serve as a member of the health and welfare, environmental quality and transportation committees. Sen. Erdey will also continue his service on the Select Committee of Vocational and Technical Education.
